

9-22 kW AUTOMATIC Standby Generator

GENERAC®

The #1 Selling Home Standby Generator Brand

9-22 kW

AUTOMATIC STANDBY GENERATOR

CHOOSE THE #1 SELLING HOME STANDBY GENERATOR BRAND.

Generac's Guardian Series provides the automatic backup power you need to protect your home and family during a power outage. Connected to your existing LP or natural gas fuel supply, it kicks in within seconds of determining power loss — automatically — and runs for as long as necessary until utility power returns. Choose from just enough power to cover essential circuits, or all the way up to 22 kW for the most power per kilowatt and whole-house coverage.

** Total harmonic distortion (THD) less than 2.0% — lower than both IEEE standards for utility power and published numbers for competitive air-cooled home standby generators*

FEATURES

5 Year Limited Warranty for automatic standby generators.

True Power™ Technology delivers best-in-class power quality with less than 5 percent total harmonic distortion for clean, smooth operation of sensitive electronics and appliances.

Generac Generators and engines are engineered and **Built in the USA***
**Built in the USA using domestic and foreign parts.*

The Generac G-Force Engine is purpose-built, pressure-lubricated engine capable of handling the rigors of generator use, resulting in power that's more reliable and requiring less routine maintenance than any competitive engine.

24/7/365 Customer Support Team standing by all-day every-day from our headquarters in Wisconsin to answer any questions you might have.

Quiet-Test™ Self-Test Mode runs at a lower RPM for a five or twelve minute test, is significantly quieter than other brands, and consumes less fuel.

Tough, Durable Enclosures: Sturdy all weather enclosures made from corrosion-resistant aluminum.

Smart, User-friendly Controls. Generac's Evolution™ Controller features a dual-line, multilingual LCD display allowing for easy monitoring of history and maintenance logs and manage your generator.

Mobile Link™ Remote Monitoring connects you to your generator allowing you to access information such as the current operating status, maintenance schedule, and more directly from your smart phone, tablet or computer. *(Sold Separately).*
